PUBLICATION OF GP FINANCIAL EARNINGS 2015/16

As from 1st April 2015 All GP practices are required to declare the mean earnings (e.g. average pay) for GPs to deliver NHS services to patients at each practice.

The average pay for GPs working in **The Junction Surgery** in the last financial year was **£53961.00** before tax and national insurance. This is for one full time GP Contractor, one part-time GP contractor and TWO part-time salaried GPs.

The average earnings for GPs has been calculated using the income from NHS England, CCGs and Local Authorities for the provision of services that relate to the contract or which have been nationally determined.

All earnings to be reported are Pre-Tax, National Insurance and Employee pension contributions, for contractors the figures are net of practice expenses incurred.
